THAT three cornered fight for Mayor of Cincinnati is going to be a Piff, Pfaff, Pouff sort affair.

THE Chicago M. E. Conference declared itself against the marriage of divorced persons, and will work for uniform divorce laws.

SECRETARY TAFT will soon be having the Japs in such a friendly mood that they will try to borrow money from us.—Washington Post.

By an almost unanimous vote the World's Conference of the Evangelical Church, in session at Milwaukee, passed a rule forbidding the use of tobacco in any form by Pastors.

WASHINGTON society has learned with regret that Miss ETHEL ROOSEVELT will not make her debut this winter. The young lady is of a practical turn of mind and is devoted to her art, that of painting.

THE animus of the great swing-around-the-circle in Kentucky of WILLIAM JENNINGS BRYAN is now unfolded. BILLY received a check for \$300 and a special train. W. J. B. always looks out for his "per," and don't you forget it.

WITH that \$1,500,000 of Government money received by Old Kentucky her school per capita was boosted to goodly proportions, and it also enabled the Governor to push along the matter of erecting the new Capitol at Frankfort. The new Capitol was erected with Uncle Sam's money. Remember that for all time.

MRS. CARRIE NATION is coming to Kentucky. A philosopher says it is not a sign of cowardice in a man to be afraid of a woman. Wise guy that.

"If" Kentucky goes Democratic, the smile on W. J. BRYAN's face will expand and it will be claimed that "the peerless" did it all by his lonesome. If she goes Republican, then BILLY 'll be damned some more.

HENRY CLAY was known as "the Great Compromiser," but MILT CARPENTER, who lost a leg in a cave-in up at Rose Run iron mines in Bath county, is going some himself in that line and has Mr. CLAY left at the post. MILT brought suit for \$3,000 damages against the owners of the mine, but compromised for 45 acres of land, a horse, a cow, a cork leg and \$600 in money.

IN the speech of Hon. AUGUSTUS E. WILLSON at Owensboro he brought up the famous Dehler check, which he claimed had been collected by HAGER, the present alleged temperance advocate, for campaign purposes several years ago. He challenged Mr. HAGER to deny this, and he further said that he had heard in Maysville that HAGER had said if the Democratic party was for whisky he would be for it also. In contrast to this, Mr. WILLSON declared that he, himself, would be against the Republican party if the Republican party was not for temperance.

WILL BE GOING SOME.

"Youngling is going to marry the widow Henpeck."
"Why, she's twice as old as he is."
"Oh, well, he'll age fast enough after the wedding."
"Give me a lock of your hair to wear over my heart," pleaded the romantic young man.
"No," replied the young girl with the red tresses; "I'm afraid it would give you heartburn."

Danderine

GREW MISS CARROLL'S HAIR

AND WE CAN

PROVE IT

Beautiful Hair At Small Cost.

WITHIN the last decade great and rapid strides have been made in Materia Medica. Many diseases that were considered incurable fifteen years ago are now cured in a few days, and in many cases prevented altogether. The scientists of late years have been delving for the cause, the foundation, the reason and the starting point of disease, fully realizing that the actual and true cause must be ascertained before the remedy can be located. Hair troubles, like many other diseases, have been wrongly diagnosed and altogether misunderstood. The hair itself is not the thing to be treated, for the reason that it is simply a product of the scalp, and wholly dependent upon its action. The scalp is the very soil in which the hair is produced, nurtured and grown, and it alone should receive the attention if results are to be expected. It would do no earthly good to treat the stem of a plant with a view of making it grow and become more beautiful—the soil in which the plant grows must be attended to. Therefore, the scalp in which the hair grows must receive the attention if you are to expect it to grow and become more beautiful.

Loss of hair is caused by the scalp drying up, or losing its supply of moisture or nutriment, and when baldness occurs the scalp has simply lost all of its nourishment, leaving nothing for the hair to feed upon (a plant or even a tree would die under similar conditions).

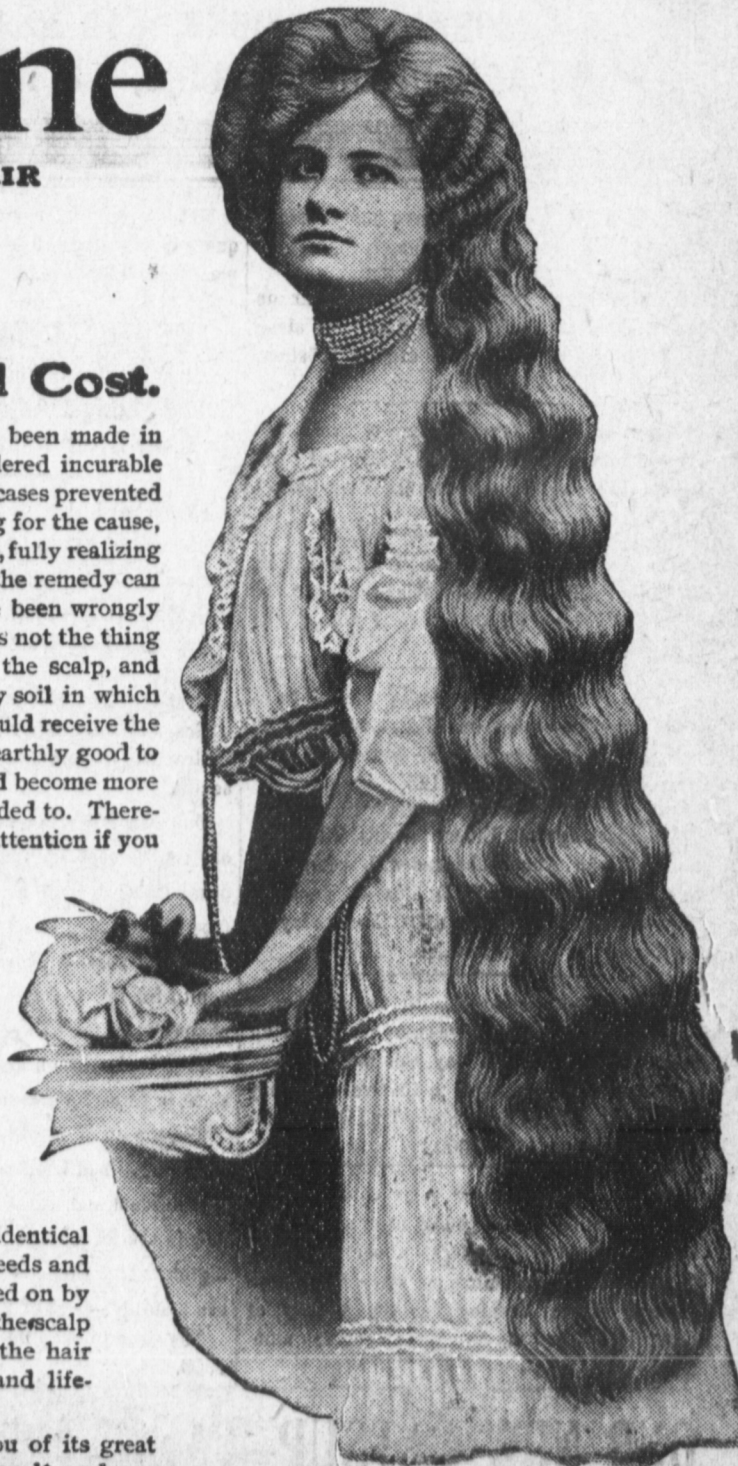

The natural and logical thing to do in either case is, feed and replenish the soil or scalp as the case may be, and your crop will grow and multiply as nature intended it should.

Dr. Knowlton's DANDERINE

is the only remedy for the hair ever discovered that is identical with the natural hair foods or liquids of the scalp. It feeds and nourishes the hair and does all the work originally carried on by the natural nutrients or life-giving juices generated by the scalp itself. It penetrates the pores of the scalp quickly and the hair soon shows the effects of its wonderfully exhilarating and life-producing qualities.

One twenty-five-cent bottle is enough to convince you of its great worth as a hair growing and hair beautifying remedy—try it and see for yourself. Now on sale at every drug and toilet store in the land. Three sizes, 25c, 50c and \$1.00.

FREE To show how quickly Danderine acts we will send a large sample free by return mail to anyone who sends this advertisement to the Knowlton Danderine Co., Chicago, with their name and address and 10 cents in silver or stamps to pay postage.

Miss Estene Paddock who has been ill for several weeks at her rooms in East Fourth street, was reported much worse this morning.

John F. Thomas, charged with taking whisky into Augusta and offering it for sale illegally, was fined \$75 at his trial this week. He will appeal.

In responsive mood to the delightful hospitality of Mr. and Mrs. Barbour Russell, were the genial friends who assembled at their bidding last night from eight to ten o'clock.

The cordial greeting of the host and hostess was gracefully supplemented by Mrs. M. C. Russell and Mrs. Belle Armstrong.

The beautiful home did not need the embellishment of lights and blossoms, but with these twin decorations adding their adornment, a lovelier setting for a social function could not be pictured. Massed in prodigious profusion on the dining room table were exquisite pink dahlias, whose glowing tints were echoed in candles, shades and bonbons. The same color predominated in the drawing room, standing in bold relief against a lacey background of graceful ferns.

A delicious fruit cup was served throughout the evening by Misses Hattie Cochran and Winnie Elgin in the cozy living room on the second floor, while the cheer and courtesies of the dining-room were dispensed by Misses Mary Alter Barbour, May Hord Elgin, Myra Duke, Roberta Cox, Mesdames John Hall and John Hunt.

Music lent its charm to the gala occasion, where minutes pass as seconds and departures were taken with regret that time could not turn backward and make them arrivals.

There has not been what might be called "low water" in the Ohio river for two years. The river has been in fine boating stage clear through to Pittsburgh most of the time.

The Kentucky District Convention of the Christian Endeavor Society commences today at Vanceburg.

Preparations are actively being made for the Kentucky Anti-Saloon League "field day" to be held in Lexington Sunday, October 20th.

Minstrel Man Says Railway Rates in South Are Too High

Al G. Field, owner of the well-known minstrel troupe, has filed complaint with the Interstate Commerce Commission against the Southern Railway Company and a number of other Southern roads on the ground that abolishment of the old party rates granted to theatrical and like companies is unlawful. He objects that full individual rates are charged for his company, forcing him to pay 64 cents per mile more for his entire company than formerly.

He also charges that special rates are still granted some companies.

Mr. Field says his company is "subserving a public interest, being in a sense public servants and benefactors."

A DISFIGURING ITCHING ECZEMA

Spread from Body to Face—Sufferer Was Ashamed to Go Out—Scales Formed and Her Skin Became Parched and Highly Discolored.

WAS CURED BY CUTICURA AFTER YEAR OF TORTURE

"I was suffering with eczema for a year and had tried all kinds of medical treatment but without any results. Small pimples broke out around my waist-line and where the clothing was tight on the body. These pimples began to enlarge and thicken until they formed in patches. Then it worked upward until my face was covered. At first I did not notice it much until I became warm from working. Then it seemed almost unbearable as the parts seemed inflamed and itched so that I could hardly keep from scratching it all the time. The places were rather scaly and became moist when rubbed. Afterward the skin seemed parched and highly discolored. I remained indoors as I was ashamed to be out in company. I had suffered for about seven months before I tried Cuticura Soap, Cuticura Ointment, and Cuticura Pills. After I had used them a week, I found great relief and I continued for five weeks, not missing a single day and now you could not tell I had ever had eczema. My complexion is as good, if not better than ever, and I cannot find words sufficient to do the Cuticura Remedies justice. Minnie Hutchins, La Cygne, Kan., Apr. 19 and 30, 1907."

CURED 28 YEARS AGO Of Running Sores on the Head by Cuticura.

"When I was about eight years old, I think, my entire head was a mass of running sores that discharged awfully. They had to cut all my hair off. I took doctors' medicines but they did me no good, so some one told my mother to try Cuticura, so she did, and it cured me. I am thirty-six now, but the humor has never returned. Mrs. Lillian E. Millikin, 8 Vernon St., Providence, R. I., May 9, 1907."

Complete External and Internal Treatment for Eczema of Infants, Children, and Adults consists of Cuticura Soap (25c.) to Cleanse the Skin, Cuticura Ointment (50c.) to Heal the Skin, and Cuticura Pills (50c.) for the removal of the Cause of the Eczema. Sold throughout the world. Foster Drug & Chem. Corp., Sole Props., Boston, Mass.

KIDNEY TROUBLES

The kidneys are essential organs for keeping the body free from impurities. If they should fail to work death would ensue in very short time. Inflammation or irritation caused by some feminine derangement may spread to some extent to the kidneys and affect them. The cause can be so far removed by using Lydia E. Pinkham's Vegetable Compound that the trouble will disappear.

When a woman is troubled with pain or weight in loins, backache, swelling of the limbs or feet, swelling under the eyes, an uneasy, tired feeling in the region of the kidneys, she should lose no time in commencing treatment with

Lydia E. Pinkham's Vegetable Compound

It may be the means of saving her life. Read what this medicine did for Kate A. Hearn, 520 West 47th Street, New York, who writes:—

Dear Mrs. Pinkham:—"I owe a debt of gratitude to Lydia E. Pinkham's Vegetable Compound for it has saved my life. I suffered with kidney trouble, irregularities and painful periods, and my blood was fast turning to water. I used your medicine for some time and it has made me strong and well."

Lydia E. Pinkham's Vegetable Compound made from native roots and herbs cures Female Complaints, such as Falling and Displacements, and Organic Diseases. Dissolves and expels Tumors at an early stage. It strengthens and tones the Stomach. Cures Headache, General Debility and invigorates the whole system. For derangement of the Kidneys in either sex Lydia E. Pinkham's Vegetable Compound is excellent.

A LASTING EFFECT.

This Evidence Should Prove Every Claim Made for Doan's Kidney Pills in Mayville.

Relief from the pains and aches of a bad back is always welcome to every backache sufferer; but to cure a lame, weak or aching back is what's wanted. Cure it so it will stay cured. It can be done. Here's the strongest evidence to prove it:

C. L. Hubbard, employed in Cablish's grocery, Cox Building, and living at 825 West Third street, Mayville, Ky., says:

"As I stated in a testimonial given in 1900, Doan's Kidney Pills brought me positive relief from inflammation of the bladder and a disturbed action of the kidneys. After some time I felt a slight return of the trouble but again used Doan's Kidney Pills and found complete relief. Now, after nearly five years I feel able to recommend Doan's Kidney Pills with even greater confidence than before. The results of its use in my case have been very satisfactory."
